

## On-Site Programming

Day programs in Cuyahoga Valley National Park allow adults and youth alike to explore ecology, natural history, and Ohio history. Choose from a variety of offerings and learn about Ohio's national park in a unique and engaging way!

**Groups 30 or less = \$100 | Groups over 30 = additional \$5 per person**

### Night Hike

 1-2 hrs  easy - medium

Enjoy a moonlit hike on the exclusive trails surrounding the Environmental Education Center led by our trained instructor staff. Discover what it means to be a nocturnal animal in Cuyahoga Valley National Park and experience our trails in a completely different way! All ages welcome. Program offered from 6:30 p.m. to 10 p.m.

### Team Building

 1-2 hrs  easy

Your group will experience multiple activities that will encourage them to learn about each other and strengthen them as a team. Lead by our trained instructors, we will take you through a series of team building efforts held indoors or outdoors (weather depending) All ages welcome. Program offered 6:30 - 10 p.m.

### Covered Bridge Hike

 1.5 - 2 hrs  moderate

Take a guided, 2-mile hike on Furnace Run trail to see one of the last remaining covered bridges in Ohio: the Everett Covered Bridge. Enjoy the beauties of nature along the way and spend some time basking on the banks of Furnace Run.

## Hemlock Ravine Hike

1.5 hrs

easy - moderate

Take a peaceful, instructor-led hike to a hidden gem within the park, nestled in the deep woods behind the Environmental Center. Hemlock Ravine hosts a striking ravine and one of the only hemlock forests in all of Cuyahoga Valley National Park.

## Top of the Watershed

1-2 hrs

easy

Gain a new perspective on what it means to be at the “top” of the Cuyahoga River watershed by hiking our hill-top campus joined by our experienced instructor staff. You will learn about biodiversity, topography, the unique ecosystems on our campus, as well as the importance of being a good steward within the watershed. All ages are welcome.

## Watershed Stories

2 hrs

easy - moderate

Take a hike through time and learn about the natural and human history of this geographic area – from before the Cuyahoga River carved the valley, to the people who currently call the watershed home. All ages are welcome.

## Pond Exploration

1-2 hrs

easy

Spend a morning or afternoon exploring the aquatic ecosystems within Cuyahoga Valley National Park and learn more about the unique creatures that live below the lily pads! Knowledgeable instructors will help you use nets and equipment to catch and identify all the critters you find before releasing them back into their home. Every exploration is unique and exciting; you never know what you might scoop up!

PLEASE NOTE: All our programs will run rain or shine. Severe weather (thunder storms, high winds, etc.) may result in program cancellation at the discrepancy of the Conservancy. No fee will be assessed to cancellations associated with severe weather
