## Find Your Way to the Party!

The Conservancy is the official philanthropic partner of Cuyahoga Valley National Park (CVNP) and your gift helps us preserve one of our region's most important assets.

Your support will help the Conservancy protect the resources of Cuyahoga Valley National Park including our nationally recognized volunteer program, educational initiatives, and cultural events. In 2022, your investment will also contribute to the newly created Trails Now Fund, which will provide annual support for trail maintenance and priority trail projects in CVNP.

We've missed seeing you at Elevation and we're excited to welcome you back after a two-year break!
