Enjoy some great jazz provided by Horns and Things and get your dancing shoes ready for the headlining band, Abby Normal and the Detroit Lean.

The celebration continues on Saturday, June 25 with Topography 2022. Support the Conservancy while sipping cocktails and hor d'oeuvres and enjoying live music at the Ledges Overlook, dining with the delicacies provided by Spice Catering Co., and topping off the night with desserts, live music, and the beauty of nature by the campfires in the Meadow. Enjoy the sounds of the JT Trio at the Overlook, Lisa and Heather Malyuk on the Trail, and Ben Gage in the Meadow. Relax to the sounds of the Theron Brown Quartet after dinner.

“Elevation and Topography bring people together for an evening in one of our most beautiful parks. What could be better than strolling along scenic trails and enjoying amazing live music as you anticipate a delicious dinner? It's so much fun to make new friends at this event and gather with them around the campfires as the stars light up the sky. This is a unique, exciting way to show support for the Conservancy for Cuyahoga Valley National Park. It is ‘the’ event of the year!” - Laura Pulliam, 8-year Elevation and Topography Attendee
